THE **CARDIES** **PACK**

Whether you're
the kind of person
who simply
love your pet too
much;

Or the one who
brings home
every little lost
soul;

Maybe you're the
one who cries,
running to the
bathroom
every time you see
an animal on TV!

Or maybe the
vegetarian &
activist who fights
for their rights!

Maybe you like
animals way
more than
people....

Or the one who
gets their dog's
name tattooed on
their arm..

Maybe you're the one who gives them a second chance, adopting them from shelters wherever you can...

Do you
cringe at the
thought of them
having to fight each
other for sport.

Or maybe you
stand behind our
team fighting for
against the live
export horror. .

If you can relate to any of
these emotions....

THEN YOU ARE PART OF
OUR PACK!

THE PACK

& why you should should be part of it

We stand with the soldiers of the NSPCA!

The National Council of SPCA's are the soldiers on the frontline! Those who dedicated their lives to saving animals! From fighting for the rights of animals used for science, live exports and sports, all the way to stop abuse, care for those who've been thrown away, and giving hope to those who have none left.

Now we're calling all the humans out there who want to help make their work possible.. you need to join THE CARDIES PACK!

To start with, get your buffs, socks and bracelets exclusively from Cardies stores, nationwide! By wearing these items, you become part of the elite group of humans who care for animals. It's also so much more than just caring.. We're donating a portion of the profits to the NSPCA to enable them to do what we can't.
