

VACANCY: BRANCH MANAGER – MOSSEL BAY SPCA

This is a demanding, hands-on leadership role — not a desk job.

We're looking for a capable, experienced manager to take full responsibility for the Mossel Bay SPCA. This role requires someone who can lead people, manage pressure, and ensure the organisation runs properly — every day.

You will oversee all operations, including staff, inspectorate, kennels, clinic, adoptions, outreach, and general management of the branch.

You need to bring:

- Proven senior management experience (minimum 5 years)
- Strong leadership and people management skills
- Solid financial understanding (budgets, accountability, sustainability)
- Experience in operations, compliance, and organisational management
- Ability to make decisions under pressure and take accountability
- Strong communication and organisational skills
- High levels of integrity and a genuine commitment to animal welfare

Advantageous:

- Relevant qualification in management, business, nonprofit or similar
- Experience in animal welfare
- Experience in fundraising, stakeholder engagement, or community outreach
- Understanding of legislation and governance (or willingness to learn through NSPCA training)

You must be willing to undergo NSPCA Inspector training. Police clearance is essential.

Market-related salary.

Send your CV to chericooke@grspca.co.za by **20 April 2026**.

If you have not heard from us within 4 weeks, please consider your application unsuccessful.
